Scholarship Program

Each year, KOMU-TV, along with KBIA-FM, presents a scholarship to the outstanding minority student in the Broadcast News sequence. The student must have the qualities of energy, enthusiasm, accuracy, and a desire to excel in journalism. The student selected must also have at least one year of school remaining. KOMU-TV's News Director, under consultation with a staff member from KBIA, makes the selection which is awarded in April of each year. In 2008 the scholarship was awarded to a female minority student currently enrolled at the University of Missouri's School of Journalism.

Internship Program

The KOMU-TV internship program exposes college students to the dynamic responsibilities of a television station's Promotion Department. Interns work 5-10 hours a week with Promotion Managers to help promote the station's image. Responsibilities include production of promotional and public service announcements attending station and community event and helping maintain the station's partnerships with NBC and the CW. During the Fall 2007 and Spring 2008 semesters four females and one male participated. A number of past interns have gained employment with KOMU-TV after graduation.

Job Fair

KOMU-TV participated in a Mizzou Student Life Fair April 9, 2008. This job fair was attended by the Director of Programming and Promotion. Students and graduating seniors were counseled about the industry and discussed available internships and job openings.
