

Internal Revenue Service 2009 Undelivered Refund List – Missouri

"Editors Note: Due to the dynamic nature of this list of names and our hope that many taxpayers who currently appear on this list will promptly update their address and obtain their refunds, this list should not be used after December 31, 2009. The undelivered refund listing is produced once annually each fall and is not updated through out the year."

What's the best way to check the status of a regular refund?

- Use "Where's my refund" on the IRS.gov Web site.
- Call the IRS automated, toll-free TeleTax system at 800-829-4477.
- Call the IRS refund hotline at 800-829-1954.
